- b. Each Agency is hereby authorized and directed to transmit to Counsel, including any third-party specifically authorized by Counsel to assist in the resolution of potential liens or reimbursement claims, any information, including claims

information and other protected health information, for those plaintiffs listed on Exhibit A against whom they may assert liens or reimbursement claims.

- c. Counsel, including any authorized third party acting on their behalf, shall not use or disclose any protected health information or individually identifiable health information subject to this Qualified Protective Order for any purpose other than this litigation. Similarly, the Agencies shall only use the information listed on Exhibit A for the specific purposes of transmitting to Counsel any information, including claims information and other protected health information, for those plaintiffs in the above-captioned matter against whom the Agencies have asserted liens or reimbursement claims, or in whose potential settlements the Agencies may have an interest. The Agencies shall only make the information listed on Exhibit A available to those within their respective Agency who need access to the information listed on Exhibit A for the specific purpose stated in this paragraph. If the Agency utilizes outside vendors or companies to perform part or all of their tort recovery practices, the outside vendors or companies shall be expressly bound by all terms and conditions of this Qualified Protective Order.
- d. Counsel, including any authorized third party acting on their behalf, shall maintain any protected health information or individually identifiable health information subject to this Qualified Protective Order in a secure and safe area and shall exercise the same standard of due and proper care with respect to the storage, custody, use and/or dissemination of such protected health information as is exercised by Counsel with respect to its own confidential proprietary information.

- e. At the conclusion of this litigation, Counsel shall certify to the Agencies that the protected health information or individually identifiable health information, including all copies made, has been destroyed.

IT IS SO ORDERED.
